THE COMPLETE SAGA

He was nobody. Level Zero in a world
that only respects power.

Then the game took him.

Twelve chapters. Four arcs. Five districts.
One family. One crown. One god in a white mask.

From a rain-slicked street at rock bottom
to the throne of Kain City —
and beyond.

This is GRIND. All of it.

GRIND, ZERO, HOUSE ZERO, the Midas Twins, PAYDAY, Kain City, the Crimson Kings, and all characters, names, and story elements are original creations of Que (Que's Creations).

ZERO

From Level 0 nobody to kingpin. Dual-wields the gold-plated Midas Twins.

TANK

HOUSE ZERO enforcer. The wall. Loyal to the death.

CHROME

Hacker. Sees the city's digital veins.

DOMINO

Getaway driver. Fastest hands in Kain City.

NIA

Strategist. Always three moves ahead.

SABLE

Infiltrator. Velvet voice, steel spine.

ONYX

Sharpshooter. The only aim that nearly matches ZERO's.

OVERLORD

Kingpin of Kain City. The final wall.

RED

Leader of the Crimson Kings. Blood runs deep.

THE ADMIN

Architect of the game. The final truth.

CHAPTER 1 1 / 5
He was nobody. Then the game took him.

Kain City. Level 0. Rock bottom has a name - and it's ZERO.

No handouts. No shortcuts. Just the grind - every rep counting double.

OG Marcus put him on. The Kings took him away. Now it's blood.

CHAPTER 1 5 / 5
One banner. One family. HOUSE ZERO rises.

ZERO

From Level 0 nobody to kingpin. Dual-wields the gold-plated Midas Twins.

RED

Leader of the Crimson Kings. Blood runs deep.

CHAPTER 2 1 / 4
Neon Row. Enemy territory. One wrong look ends him.

The trap was set - but the Kings were gone. Someone sold him out.

CHAPTER 2 3 / 4
Chrome kills the grid. The crew strikes from the dark.

ZERO vs RED. The city holds its breath.

ZERO

From Level 0 nobody to kingpin. Dual-wields the gold-plated Midas Twins.

THE HARBORMASTER

Smuggler king of the Docks. Thirty years on the tide - until the blue flag rose.

KAIN CITY FILES

THE DOCKS - Kain City's oldest district. Before the neon, before the system, everything came through the port. The Harbormaster's smugglers taxed every crate for thirty years - until the night the blue flag rose.

CHAPTER 3 1 / 4
The Docks. The Harbormaster's fog. Every crate in Kain City pays his tax.

Lights out. The crew moves like water through the containers.

Thirty years the old king ruled the tide. Tonight, the tide turns.

One district down. The blue flag flies over the Docks.

ZERO

From Level 0 nobody to kingpin. Dual-wields the gold-plated Midas Twins.

THE FOREMAN

Hulking kingpin of the Foundry. Eyes like furnace doors - until the blue steel cooled them.

KAIN CITY FILES

THE FOUNDRY - where Kain City's wars are manufactured. The Foreman's furnaces armed every crew in the city - for a price. Until the night blue banners rose over the smokestacks.

CHAPTER 4 1 / 5
The Foundry. Where every war in Kain City is manufactured.

Sable doesn't knock. She gets invited in - and leaves with the keys.

One lever. Every furnace in the district. Chrome is smiling.

Above the molten river, the old king of steel meets the future.

Two districts down. Blue steel rises over the Foundry.

ZERO

From Level 0 nobody to kingpin. Dual-wields the gold-plated Midas Twins.

THE WARDEN

Cold commander of the Heights' elite enforcers. He'd already won every war - until one man refused to move.

KAIN CITY FILES: HOLLOW POINT HEIGHTS

HOLLOW POINT HEIGHTS - the fortress above Kain City. The Warden's elite enforcers held the high ground for a decade. No army ever took it - until Tank's stand.

Hollow Point Heights. The fortress above the city. No army ever took it.

Through the service gate, quiet as ghosts. The spotlights never saw them.

One man. One choke point. Tank doesn't move.

Across the parade ground, the Warden finally meets the unmeasurable.

CHAPTER 5 5 / 5
Three districts down. The high ground flies blue.

ZERO

From Level 0 nobody to kingpin. Dual-wields the gold-plated Midas Twins.

RED

Leader of the Crimson Kings. Blood runs deep.

KAIN CITY FILES: NEON ROW

NEON ROW - the city that never sleeps and never forgives. The Crimson Kings' neon kingdom, where every light is red and every debt is blood. Tonight, the blue wave breaks against it.

CHAPTER 6 1 / 5
One rooftop. Every set. One army - one banner.

Nia's plan has no wasted moves. Neither does her heart.

The blue wave rolls through Kain City. The city watches from its windows.

Across the neon divide, the red tide rises to meet it.

Two armies. One boulevard. The city holds its breath.

RED
Leader of the Crimson Kings. Blood runs deep.

ONYX

Sharpshooter. The only aim that nearly matches ZERO's.

DOMINO
Getaway driver. Fastest hands in Kain City.

KAIN CITY FILES

THE CRIMSON KINGS

THE CRIMSON KINGS - born in Neon Row's red light, raised on the blue-vs-red war. RED united the scattered red sets the way ZERO united the blue - and now the city burns between them.

RED answers the Blue Wave. A blue block burns.

Every war has a price. Tonight, ZERO pays it.

One breath. One shot. Onyx never misses twice.

Red headlights in the mirror. Domino smiles.

Kain City is a chessboard now - and it's on fire.

DOMINO
Getaway driver. Fastest hands in Kain City. And the heaviest secret.

CHROME
Hacker. Sees the city's digital veins.

KAIN CITY FILES

HOUSE ZERO

HOUSE ZERO - not a gang, a family. Scattered blue sets united under one banner, one code: nobody gets left behind. Tonight, that code gets tested.

Every move leaked. Every plan read. The pattern is undeniable.

Chrome traces the thread. He wishes he hadn't.

The crew closes in. Domino's grin is gone.

The Kings took his sister when he ran. They've owned him ever since.

Exile or mercy? The Midas Twins stay holstered. For now.

RED
Leader of the Crimson Kings. Blood ran deep.

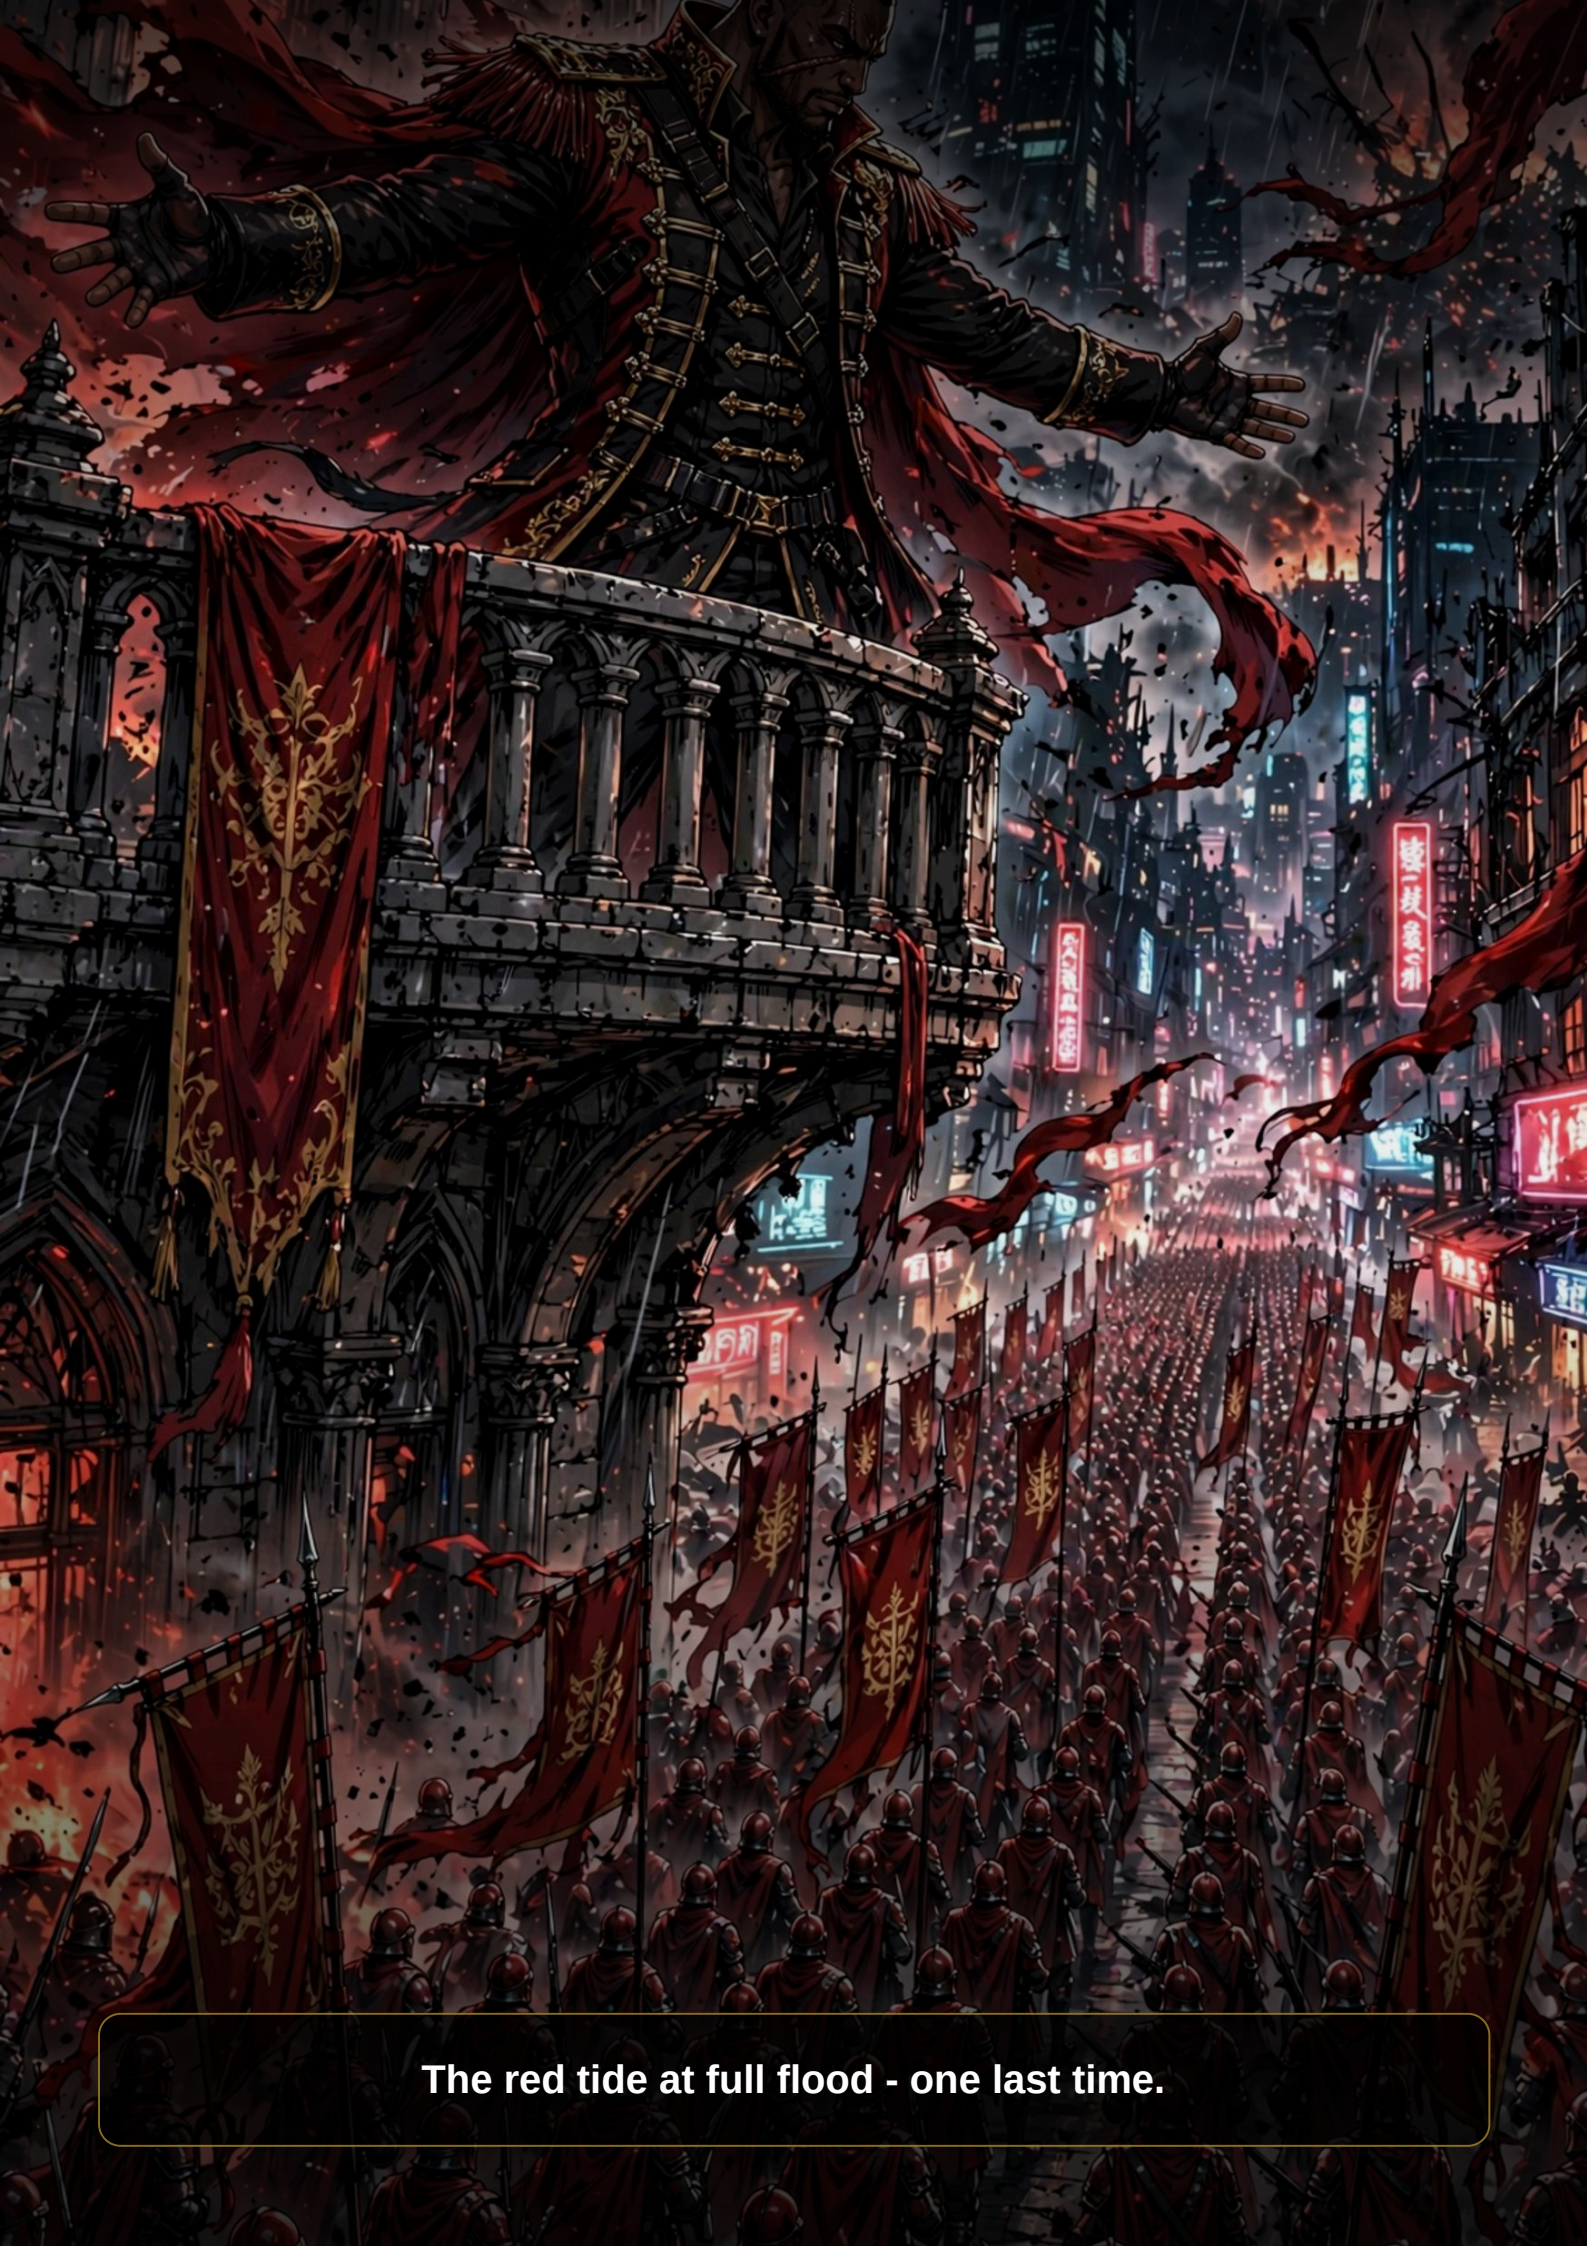

KAIN CITY FILES

THE SPIRE

THE SPIRE - the black tower at the heart of Kain City. OVERLORD's seat, above every district, above every law. Nobody climbs the Spire. Until now.

ZERO walks into Neon Row alone. The challenge is issued.

The red tide at full flood - one last time.

Two kings. One street. Everything comes down to this.

The Kings have fallen. Neon Row glows blue.

Reigning kingpin of Kain City. The final wall.

Kain City Files: The GRIND System

THE GRIND SYSTEM - the blue windows that rule every life in Kain City. Quests, stats, levels. It measures everyone. Everyone except him.

Chapter 10: The Spire

Every flag. Every set. One march - to the black tower.

Chapter 10: The Spire

A hundred challengers have climbed. The king is unafraid.

Chapter 10: The Spire

Through the marble lobby, up the grand stair. The Spire has never been breached.

Chapter 10: The Spire

Two kings. One throne room. The whole city below.

Chapter 10: The Spire

Every level has a price. Tonight, the system collects.
